ANNEXURE – VI MANAGEMENT DISCUSSION AND ANALYSIS REPORT

[Pursuant to Regulation 34 (2) (e) of Securities Exchange
Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

(A). Business Overview:

Review of Operations:

Your company performed well during FY 2021-22 and recorded the highest turnover since inception by crossing the 100 Crores milestone. Avantel has been witnessing steady growth year on year which is propelled by award of few high value projects. The 1 KW HF project for Indian Navy awarded to us in FY 2020-21 is currently under execution and 71 out of the 125 HF sets have been already delivered to the customer. The company is also executing 5 KW HF transmitters to one of the strategic customers as of now. In view of the growing demand for indigenous HF systems, the company's HF vertical is expected to grow in near future and we expect to offer various configurations of indigenous HF equipment to strategic customers in India. Further, this year Avantel has been awarded with another high value contract from L & T worth Rs 125.68 Crores for supply of 6300 loco units for Real Time Train Information Systems to be supplied to Indian Railways. You will be also happy to note that Avantel's SATCOM, Radar and RF subsystems have been witnessing steady growth and new customers are evincing interest in Avantel's solutions. As part of diversification strategy, Avantel has floated a fully owned subsidiary M/s. Imeds Global Private Limited in September 2021 and established manufacturing facility in Andhra Pradesh Medical Tech Zone (APMTZ), Visakhapatnam. The company envisions itself to offer various indigenous medical devices which are the need of the hour post COVID pandemic. The company has recorded a Profit (before tax) of Rs. 23.64 Crores as against Rs. 18.50 Crores in the previous year with an increase in profit by 27.78% compared to last fiscal.

Outlook for the next year

India's Defence budget for FY 2022-23 is about Rs 4 lakh Crores after excluding the component of the Defence pensions and is primarily focused towards the upkeep and modernization of Armed Forces. The capital outlay, which focuses towards the modernization of Armed Forces has been increased by 12.82 percent with an allocation of Rs. 1.52 Lakh Crores. In recent times, the Defence budget has also been sensitive to the need for establishing a technological framework to advance growth of a vibrant indigenous defence manufacturing infrastructure. For this self-reliance initiative, 68% of the capital procurement has been proposed to be earmarked for domestic industry, up from 58% in 2021-22. Here, a whopping 25% of the R&D budget has been earmarked for industry, start-ups, and academia. (Source: <https://www.financialexpress.com/budget/defence-budget-2022-gearing-up-indias-domestic-military-industrial-complex/2430471/>)

In a recent initiative, to expedite the process of "Atmanirbharatha" in Defence, MoD has listed around 310 items for indigenization in a phased manner. Three lists [first list (101 items) dated 21st August 2020, Second list (108 items) 31st May, 2021 and third list (101 items) dated 07th April 2022 respectively have been released. The aim of this landmark policy decision to indigenize various items is to create an environment where public, private sector and foreign entities can work together and help India become one of the leading countries in defence manufacturing. It is likely that this policy is expected to stimulate the potential of indigenous Research & Development (R&D) by attracting fresh investment into technology and manufacturing capabilities. It will provide ample opportunities to the domestic industry for understanding the trends and future needs of the Armed Forces. (Source: <https://pib.gov.in/PressReleasePage.aspx?PRID=1814446>)

Your company has been contributing to self-reliance in the strategic segment for close to three decades and has been offering fully indigenous solutions through its well spread product offerings. The push given by incumbent government in terms of increased capital overlay and emphasis on domestic sourcing would help us to venture into new technologies, roll out new product lines and strengthen the strategic capabilities of India.

RisksAnd Concerns:

Risks:

Though there is considerable improvement in COVID 19 pandemic situation, there are still bottlenecks / many challenges in the supply chains due to non-availability, long lead times, rejections due to quality issues etc in component and raw material procurements specially from global OEMs thus severely affecting project schedules. Delays in procurement process of strategic sector impacts revenue growth.

Risk Mitigation:

M/s.Avantel Limited could mitigate the risks posed by COVID pandemic with close involvement of all the stakeholders of the company.The top management has extensively monitored,involved and continuously evolved effective strategies for mitigation of above-mentioned risks.Some of the strategies adopted were identification of alternate supply chains,design changes,optimisation of internal processes and effective coordination with customers. M/s.Avantel Limited is also expanding its product portfolio to offset uncertainties of the strategic segment and has already set in motion various diversification plans to drive growth.

Opportunities And Threats:

Opportunities:

The new DAP (Defence Acquisition Procedure) 2020 has given a stronger push to indigenization. The provisions of DAP 2020 will help your company to expedite the current procurement cases and open new avenues for business.The indigenisation list released recently by the government would further open up many opportunities for the company for diversification / introduction of new product lines.

In the medical segment,there is huge opportunity for indigenous and cost effective medical devices and lmeds is exploring various strategies to arrive at an ideal product mix in line with the emerging market demand.

THREATS:

There is assured business in the next two to three year term and your company is expected to keep up the current momentum in terms of its business projections. No major threats are envisaged and the company is quite optimistic on future growth opportunities.

Internal Control Systems:

Your company has well defined internal control systems.The company has the following certifications:

AS9100:2016 and ISO 9001:2015 certified Quality Management System

ISO/IEC 27001:2013 certified Information Security Management System.

ISO/IEC 17025:2017 certified and NABL accredited in-house Environmental Test Laboratory."

The company has a robust Internal & external audit mechanisms which are regularly monitored through the ERP system "Funwork".

All the internal and external audits are completed in time. There are no non-compliances in respect of the processes / systems in place and very well appreciated by the external agencies conducting audit.

An effective control is exercised by the top management who monitors various key performance indicators regularly through Management reviews & other means and ensures that all the critical business functions exceeds expectations with timely interventions as required.

Industrial Relations and Human Resources Management:

Your Company enjoys an excellent rapport and standing among its Customers & Suppliers.There are no pending disputes with any of the stakeholders and the company enjoys very cordial and harmonious relations across the business environment. The company's strength lies in its Human resources and its HR policies.The employees are highly motivated and technically equipped to meet the organizational goals at all times.

Development of new products:

In the current financial year, your Company has developed new variants of Mobile satellite services products including Airborne versions and High Power (5 KW) HF systems. In the medical segment, Imeds has developed Skin Staplers, Removers and Oxygen Concentrators. Further, company is developing Software Defined Radios in line with global standards.

Cautionary Statement:

INDEPENDENT AUDITOR'S REPORT

To
The Members of Avantel Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Avantel Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 48 of the financial statements, which describes the extent to which the COVID-19 Pandemic will impact the Company's results which depend on future developments that are highly uncertain. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significant in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Directors Report and Corporate Governance Report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. The Directors Report and Corporate Governance Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Directors report and Corporate Governance Report if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with Governance.

Management's Responsibility for the standalone financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the

preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced.

We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-A".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid or provided by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there are any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or

otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement

v. As stated in Note 42 to the standalone financial statements:

- (a) the dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
- (b) The Board of Directors of the Company have proposed dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.

2. As required by the Companies (Auditor's Report) Order, 2020, ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure- B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure “A” to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal Regulatory Requirements' section of our report to the Members of the Company of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Avantel Limited** (“the Company”) as of 31 March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure “B” to the Independent Auditor's Report

With reference to Paragraph 2 under 'Report on Other Legal Regulatory Requirements' section of our report to the Members of the Company, we report that:

- I In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) According to the information and explanations given to us and the records of the company examined by us, the property, plant and equipment have been physically verified by the management in a periodical manner, which in our opinion is reasonable, having regard to the size of the Company and the nature of its business. No material discrepancies were noticed on such physical verification.
 - (c) Based on our examination of registered sale deeds and other documents, the title deeds of all the immovable properties disclosed in the financial statements are held in the name of the Company
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- ii. (a) The inventory has been physically verified by the management during the year. In our opinion, the coverage, frequency and procedure of such verification is reasonable and adequate in relation to the size of the Company and the nature of its business. The discrepancies noticed on verification between the physical stocks and the book records were not exceeding 10% in the aggregate for each class of inventory and have been properly dealt with in the books of account.
- (b) The Company is sanctioned working capital limits in excess of Rs.5 Crore from banks on the basis of security of current assets. Further, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company.
- iii. During the year, the Company has made investments in a company. The Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.
 - (a) During the year, the Company has not provided loans or advances in the nature of loans or stood guarantee or provided security to any other entity.
 - (b) In our opinion, the investments made during the year are, prima facie, not prejudicial to the Company's interest.
 - (c) The Company has not granted any loans and advances in the nature of loans. Hence reporting under clause 3(iii)(c),(d),(e) and (f) of the order is not applicable.
- iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. We have broadly reviewed the cost records maintained by the Company as prescribed under subsection (1) of section 148 of the Act, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- vii. In respect of statutory dues:
- a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
 - b) As per the information and explanations given to us and based on records examined by us there were no undisputed amounts outstanding amounts referred in sub-clause (a) above and hence clause 3(vii)(b) of the order is not applicable.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix.
 - a) The Company has not defaulted in repayment of loans taken from the banks. The Company has not taken loans from financial institutions and Government.
 - b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
 - d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.
 - f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiary.
- x.
 - a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi.
 - a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv.
 - a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. a) There is no amount to be spent for other than ongoing projects towards Corporate Social Responsibility (CSR). Hence, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- b) The Company does not have ongoing projects relating to CSR. Hence reporting under clause 3(xx)(b) of the Order is not applicable.

Note 1: NOTES TO STANDALONE FINANCIAL STATEMENTS**COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES:****A. Company Overview**

Avantel Limited is a company engaged in manufacturing of wireless front-end, Satellite Communication, Embedded systems, Signal Processing, Network management and Software development and rendering related customer support services, and having an in-house R&D facility at Vishakhapatnam, Andhra Pradesh. The Company is incorporated and domiciled in India and has its registered office at 141, Plot No.47/P, APIIC Industrial Park, Gambheeram(V), Anandapuram (M), Vishakhapatnam Andhra Pradesh, India. The Company has been in Bombay Stock Exchange (BSE).

The Standalone Financial Statements are approved by the Board of Directors on 6th May, 2022.

B. Basis of Preparation of Financial Statements:

These Standalone financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), the provisions of the Companies Act, 2013 ("the Companies Act"), as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI"). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The accounting policies have been applied consistently to all periods presented in these financial statements.

C. Basis of Measurement

These Standalone financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain assets and liabilities which have been measured at fair value as per Ind AS. All assets and liabilities are classified into current and non-current generally based on the nature of product/activities of the company and the normal time between acquisition of assets/liabilities and their realization/settlement in cash or cash equivalent. The company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

The Standalone financial statements are presented in Indian Rupees (INR) being the functional currency of the Company.

D. Use of Estimates

The preparation of Standalone financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions (including revisions, if any). These estimates, judgments and assumptions affect the application of accounting policies and reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenue and expenses during the period.

Appropriate changes in the estimates are made as management becomes aware of changes in circumstances. Changes in the estimates are reflected in the financial statements in the period in which changes are made.

E. Revenue of Recognition:

The Company earns revenue primarily from manufacturing of wireless front-end, Satellite Communication, Embedded systems, Signal Processing, Network management and Software development and rendering related customer support services.

Revenue is recognized by the company when the company satisfies a performance obligation by transferring a promised good or service to its customers. Asset/goods/services are considered to be transferred when the customer obtains control of those asset/goods/services.

Revenue comprises the fair value of the consideration received or receivable for the sale of goods and services in the ordinary course of the Company's activities. Revenue is shown net of GST, returns, rebates and discounts.

Sale of products-(own manufactured). Revenue is recognised when the significant risks and rewards of ownership of the products have passed to the buyer, which is considered to be upon delivery under the contractual terms, and when the amount of revenue can be measured reliably.

Revenue from time and material and job contracts is recognised on output basis measured by units delivered, efforts expended, number of transactions processed, etc.

Revenue related to fixed price maintenance and support services contracts where the Group is standing ready to provide services is recognised based on time elapsed mode and revenue is straight lined over the period of performance.

Interest income is recognized using the effective interest rate method.

F. Property Plant and Equipment:

Property, Plant and Equipment are stated at cost net of GST, if any and subsequently at cost less depreciation and impairment losses if any.

Depreciation on all assets is provided on the "Straight Line Method" over the useful lives of the assets estimated by the Management. Depreciation for assets purchased/sold during the period is proportionately charged. Individual low-cost assets (acquired for Rs. 5,000/- or less) are depreciated at 100 % in the year of acquisition/ purchase.

The Management estimates the useful lives for fixed assets as follows:

- (i) Buildings -- 20 Years
- (ii) Computers -- 3 Years
- (iii) Furniture & Fixtures -- 5 Years
- (iv) Plant & Machinery -- 4 Years
- (v) Vehicles -- 4 Years
- (vi) Leasehold improvements – amortised over the period of lease

G. Inventories

Inventories are valued at lower of cost or net realizable value.

Basis of determination of cost remain as follows:

- (i) Raw Materials, Packing materials, Stores & Spares: - On FIFO basis.
- (ii) Work-in-process: At cost of inputs plus overheads up to the stage of completion.
- (iii) Finished goods are valued at lower of cost or net realizable value.

H. Impairment:

As at the end of each Balance Sheet date, the carrying amount of assets is assessed as to whether there is any indication of impairment. If the estimated recoverable amount is found less than its carrying amount, the impairment loss is recognized and assets are written down to their recoverable amount.

I. Foreign Exchange Transactions/Translation

Transactions in foreign currencies are accounted at functional currency, at the exchange rate prevailing on the date of transactions. Gains/losses arising out of the fluctuations in the exchange rate between functional currency and foreign currency are recognized in the Statement of Profit & Loss in the period in which they arise. The fluctuations between foreign currency and functional currency relating to monetary items at the year ending are accounted as gains / losses in the Statement of Profit & Loss.

J. Research and Development

All expenses incurred for Research & Development are charged to revenue as incurred. Capital Expenditure incurred during the year on Research & Development is shown as additions to Fixed Assets.

K. Provisions,ContingentAssets/ Contingent Liabilities

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Show cause notices issued by Government Authorities where the probability of outflow of economic resources is remote are not considered as obligations. When the demands are raised against show-cause notices and are disputed by the company, these are treated as disputed obligations along with other contingent liabilities. Such contingent liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

Warranty Provisions: Provisions for Warranty related costs are recognized when the product is sold or service is provided. Provision is based on historical experience. The estimate of such warranty related costs is revised annually

L. Leases

The Company recognizes right of use assets under lease arrangements in which it is the lessee. Rights to use assets owned by third parties under lease agreements are capitalized at the inception of the lease and recognised on the consolidated balance sheet. The corresponding liability to the lessor is recognised as a lease obligation within short and long-term borrowings. The carrying amount is subsequently increased to reflect interest on the lease liability and reduced by lease payments made. For calculating the discounted lease liability on leases, the incremental borrowing rate is used. The incremental borrowing rate is calculated at the rate of interest at which the company would have been able to borrow for a similar term and with a similar security the funds necessary to obtain a similar asset in a similar market. Finance costs are charged to the income statement so as to produce a constant periodic rate of charge on the remaining balance of the obligations for each accounting period.

If modifications or reassessments occur, the lease liability and right of use asset are re-measured. Right of use assets are depreciated over the shorter of the useful life of the asset or the lease term.

M. IncomeTax:

Income tax expense represents the sum of current tax payable and deferred tax.

Current Tax: The tax currently payable is based on the current year taxable profit for the year. The current tax is calculated using the tax rates that have been enacted or substantively enacted at the end of the reporting period.

Deferred tax: Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that the taxable profits will be available against which those deductible temporary differences can be utilized. Deferred tax is calculated using the tax rates that have been enacted or substantively enacted at the end of the reporting period. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

N. Earnings per Share

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year, adjusted for own shares held. Diluted earnings per share is determined by adjusting the profit or loss attribute to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

O. Employee benefits:

Defined Contribution Plans: Payments made to a defined contribution plan such as provident Fund are charged as an expense in the Profit and Loss Account as they fall due.

Defined Benefit Plans: Company's liability towards gratuity to past employees is determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past services are recognized on a straight-line basis over the average period until the amended benefits become vested. Actuarial gain and losses are recognized immediately in the statement of profit and loss Account as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government Securities where the currency and terms of the Government Securities are consistent with the currency and estimate terms of the defined benefit obligations.

P. Financial Instruments:

Non-derivative financial instruments

Non-derivative financial instruments consist of:

- i) financial assets, which include cash and cash equivalents, trade receivables, other advances and eligible current and non-current assets;
- ii) Financial liabilities, which include long and short-term loans and borrowings, trade payables, eligible current and non-current liabilities.

Non derivative financial instruments are recognized initially at fair value including any directly attributable transaction costs. Financial assets are derecognized when substantial risks and rewards of ownership of the financial asset have been transferred. In cases where substantial risks and rewards of ownership of the financial assets are neither transferred nor retained, financial assets are derecognized only when the Company has not retained control over the financial asset.

Subsequent to initial recognition, non-derivative financial instruments are measured as described below:

a) Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents include cash in hand, at banks and demand deposits with banks, net of outstanding bank overdrafts, if any, that are repayable on demand and are considered part of the Company's cash management system.

b) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Loans and receivables are initially recognized at fair value plus directly attributable transaction costs and subsequently measured at amortized cost, less any impairment losses. Loans and receivables comprise trade receivables and other assets.

The company estimates the un-collectability of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

c) Trade and payable

Liabilities are recognized for amounts to be paid in future for goods or services received, whether billed by the supplier or not.

Q. Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non –cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

R. Segment Information:

The company is considered to be a single segment company engaged in the manufacture of telecom products and providing related customer support services. Consequently, the company has in its primary segment only one reportable business segment.

S. Events after the reporting period :

Adjusting events are events that provide further evidence of condition that existed at the end of the reporting period. The financial statements are adjusted for such events before authorization for issue.

T. Prior Period Errors

Errors of material amount relating to prior period(s) are disclosed by a note with nature of prior period errors, amount of correction of each such prior period presented retrospectively, to the extent practicable along with change in basic and diluted earnings per share. However, where retrospective restatement is not practicable for a particular period then the circumstances that lead to the existence of that condition and the description of how and from where the error is corrected are disclosed in Notes to Accounts.

B. Significant judgements in the application of this standard

- (i) Revenue is recognized by the company when the company satisfies a performance obligation by transferring a promised good or service to its customers. Asset/goods/services are considered to be transferred when the customer obtains control of those asset/goods/services.
- (ii) The company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which an entity expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, GST etc.).
- (iii) The consideration promised in a contract with a customer may include fixed amounts, variable amounts, or both. Any further adjustment will be made by raising debit/credit notes on the customer. While determining the transaction price effects of variable consideration, constraining estimates of variable consideration, the existence of a significant financing component in the contract, non-cash consideration and consideration payable to a customer is also considered.

C. Assets Recognised from costs to obtain or fulfill a contract with a customer

The costs incurred by the company are fixed in nature with no significant incremental cost to obtain or fulfill a contract with a customer and same is charged to profit and loss as a practical expedient.

Note:50.Impact of COVID-19

The Company has considered the possible effects that may result from the pandemic relating to Covid-19 in the preparation of these standalone financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of Covid-19 on the Company's financial statements may differ from that estimated as at the date of approval of these standalone financial statements.

Note:51.Note on “Code on Security,2020”

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

Note:52. Confirmations

The Company requested its debtors and creditors to confirm the balances as at the end of half year in respect of trade payables, trade receivables and advances directly to the Statutory Auditors.

Note:53

Previous year's figures have been regrouped/reclassified/recasted wherever necessary to confirm to the current year's presentation.

INDEPENDENT AUDITOR'S REPORT

To
The Members of Avantel Limited
Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of M/s. Avantel Limited (hereinafter referred to as "the Holding Company") and its subsidiary IMEDS Global Private Limited (the Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2022, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2022, of its consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significant in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon. The Directors Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance

with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated

financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

- ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There is no amount required to be transferred to the Investor Education and Protection Fund by the Holding Company and subsidiary company incorporated in India.
 - iv. (a) The respective Management of the Company and its subsidiary which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or any of such subsidiaries to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The respective Management of the Company and its subsidiary which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiaries from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Holding Company and its subsidiary which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement
 - v. As stated in Note 41 to the consolidated financial statements:
 - (a) The dividend proposed in the previous year by the Holding Company, declared and paid by the Holding Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) The Board of Directors of the Holding Company have proposed dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiary included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure “A” to the Independent Auditor's Report

(Referred to in paragraph I (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Avantel Limited** (“the Holding Company”) and its subsidiary, which is incorporated in India, as of 31st March, 2022 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or

improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary company, incorporated in India have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Holding Company and Subsidiary Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: NOTES TO STANDALONE FINANCIAL STATEMENTS

COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES:

A. Company Overview

Avantel Limited ("the Holding Company") is a company engaged in manufacturing of wireless front-end, Satellite Communication, Embedded systems, Signal Processing, Network management and Software development and rendering related customer support services, and having an in-house R&D facility at Vishakhapatnam, Andhra Pradesh. The Company is incorporated and domiciled in India and has its registered office at 141, Plot No.47/P, APIIC Industrial Park, Gambheeram(V), Anandapuram (M), Vishakhapatnam Andhra Pradesh, India. The Company has been in Bombay Stock Exchange (BSE).

Imeds Global Private Limited ("the Subsidiary Company") is a wholly owned subsidiary of Avantel Limited was incorporated during the year 2021-22 and engaged in manufacturing of health care products at Sy No. 480/2, Ground Floor I, Hub (B1) Building, MedTech Zone Ltd, AMTZ Campus, Nadupuru Village, Pedagantyada Mandal, Visakapatnam.

The Consolidated Financial Statements are approved by the Board of Directors on 6th May, 2022.

B. Basis of Preparation of Financial Statements:

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), the provisions of the Companies Act, 2013 ("the Companies Act"), as applicable and guidelines issued by the Securities and Exchange Board of India ("SEBI"). The IndAS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The accounting policies have been applied consistently to all periods presented in these financial statements.

C. Scope of consolidation

The consolidated financial statements have been prepared on the following basis:

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. Fully consolidated means recognition of all assets and liabilities and items in the income statement in full. Thereafter the portion of net profit and equity is allocated between the owners of the Holding Company and non-controlling interest. Changes in ownership that do not result in a change of control are accounted for as equity transactions and therefore do not have any impact on goodwill. The difference between consideration and the non-controlling share of net assets acquired is recognised within equity.

The financial statements of group companies are consolidated on line by line basis and Inter-company transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated if there is a profit on ultimate sale of goods. When necessary, amounts reported by subsidiaries have been adjusted to conform with the group's accounting policies.

Subsidiary included in consolidation:

Name of Enterprise	Country of Incorporation	Nature of Business	Shareholding/ Controlling interest
Imeds Global Private Limited	India	Manufacture of Healthcare Products	100%

D. Basis of Measurement

These consolidated financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain assets and liabilities which have been measured at fair value as per IndAS. All assets and liabilities are classified into current and non-current generally based on the nature of product/activities of the company and the normal time between acquisition of assets/liabilities and their realization/settlement in cash or cash equivalent. The company has determined its operating cycle as 12 months for the purpose for the purpose of classification of its assets and liabilities as current and non-current.

The consolidated financial statements are presented in Indian Rupees (INR) being the functional currency of the Company.

E. Use of Estimates

The preparation of consolidated financial statements in conformity with Ind AS requires management to make estimates, judgments' and assumptions (including revisions, if any). These estimates, judgments and assumptions affect the application of accounting policies and reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenue and expenses during the period.

Appropriate changes in the estimates are made as management becomes aware of changes in circumstances. Changes in the estimates are reflected in the financial statements in the period in which changes are made.

F. Revenue of Recognition:

Revenue is recognized by the company when the company satisfies a performance obligation by transferring a promised good or service to its customers. Asset/goods/services are considered to be transferred when the customer obtains control of those asset/goods/services.

Revenue comprises the fair value of the consideration received or receivable for the sale of goods and services in the ordinary course of the Company's activities. Revenue is shown net of GST, returns, rebates and discounts.

Sale of products-(own manufactured). Revenue is recognised when the significant risks and rewards of ownership of the products have passed to the buyer, which is considered to be upon delivery under the contractual terms, and when the amount of revenue can be measured reliably.

Revenue from time and material and job contracts is recognised on output basis measured by units delivered, efforts expended, number of transactions processed, etc.

Revenue related to fixed price maintenance and support services contracts where the Group is standing ready to provide services is recognised based on time elapsed mode and revenue is straight lined over the period of performance.

Interest income is recognized using the effective interest rate method.

G. Property Plant and Equipment:

Property, Plant and Equipment are stated at cost net of GST, if any and subsequently at cost less depreciation and impairment losses if any.

Depreciation on all assets is provided on the "Straight Line Method" over the useful lives of the assets estimated by the Management. Depreciation for assets purchased/sold during the period is proportionately charged. Individual low-cost assets (acquired for Rs. 5,000/- or less) are depreciated at 100 % in the year of acquisition/ purchase.

The Management estimates the useful lives for fixed assets as follows:

- (i) Buildings -- 20 Years
- (ii) Computers -- 3 Years
- (iii) Furniture & Fixtures -- 5 Years
- (iv) Plant & Machinery -- 4 Years
- (v) Vehicles -- 4 Years
- (vi) Leasehold improvements – amortised over the period of lease

H. Inventories

Inventories are valued at lower of cost or net realizable value.

Basis of determination of cost remain as follows:

- (i) Raw Materials, Packing materials, Stores & Spares: - On FIFO basis.
- (ii) Work-in-process: At cost of inputs plus overheads up to the stage of completion.
- (iii) Finished goods are valued at lower of cost or net realizable value.

I. Impairment:

As at the end of each Balance Sheet date, the carrying amount of assets is assessed as to whether there is any indication of impairment. If the estimated recoverable amount is found less than its carrying amount, the impairment loss is recognized and assets are written down to their recoverable amount.

J. Foreign Exchange Transactions/Translation

Transactions in foreign currencies are accounted at functional currency, at the exchange rate prevailing on the date of transactions. Gains/losses arising out of the fluctuations in the exchange rate between functional currency and foreign currency are recognized in the Statement of Profit & Loss in the period in which they arise. The fluctuations between foreign currency and functional currency relating to monetary items at the year ending are accounted as gains / losses in the Statement of Profit & Loss.

K. Research and Development

All expenses incurred for Research & Development are charged to revenue as incurred. Capital Expenditure incurred during the year on Research & Development is shown as additions to Fixed Assets.

L. Provisions, Contingent Assets/ Contingent Liabilities

Provisions are recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Show cause notices issued by Government Authorities where the probability of outflow of economic resources is remote are not considered as obligations. When the demands are raised against show-cause notices and are disputed by the company, these are treated as disputed obligations along with other contingent liabilities. Such contingent liabilities are not recognized but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

Warranty Provisions: Provisions for Warranty related costs are recognized when the product is sold or service is provided. Provision is based on historical experience. The estimate of such warranty related costs is revised annually

M. Leases

The Company recognizes right of use assets under lease arrangements in which it is the lessee. Rights to use assets owned by third parties under lease agreements are capitalized at the inception of the lease and recognised on the consolidated balance sheet. The corresponding liability to the lessor is recognised as a lease obligation within short and long-term borrowings. The carrying amount is subsequently increased to reflect interest on the lease liability and reduced by lease payments made. For calculating the discounted lease liability on leases, the incremental borrowing rate is used. The incremental borrowing rate is calculated at the rate of interest at which the company would have been able to borrow for a similar term and with a similar security the funds necessary to obtain a similar asset in a similar market. Finance costs are charged to the income statement so as to produce a constant periodic rate of charge on the remaining balance of the obligations for each accounting period.

If modifications or reassessments occur, the lease liability and right of use asset are re-measured. Right of use assets are depreciated over the shorter of the useful life of the asset or the lease term.

N. Income Tax:

Income tax expense represents the sum of current tax payable and deferred tax.

Current Tax: The tax currently payable is based on the current year taxable profit for the year. The current tax is calculated using the tax rates that have been enacted or substantively enacted at the end of the reporting period.

Deferred tax: Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that the taxable profits will be available against which those deductible temporary differences can be utilized. Deferred tax is calculated using the tax rates that have been enacted or substantively enacted at the end of the reporting period. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

O. Earnings per Share

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year, adjusted for own shares held. Diluted earnings per share is determined by adjusting the profit or loss attribute to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

P. Employee benefits:

Defined Contribution Plans: Payments made to a defined contribution plan such as provident Fund are charged as an expense in the Profit and Loss Account as they fall due.

Defined Benefit Plans: Company's liability towards gratuity to past employees is determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Past services are recognized on a straight-line basis over the average period until the amended benefits become vested. Actuarial gain and losses are recognized immediately in the statement of profit and loss Account as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government Securities where the currency and terms of the Government Securities are consistent with the currency and estimate terms of the defined benefit obligations.

Q. Financial Instruments:Non-derivative financial instruments

Non-derivative financial instruments consist of:

- i) financial assets, which include cash and cash equivalents, trade receivables, other advances and eligible current and non-current assets;
- ii) Financial liabilities, which include long and short-term loans and borrowings, trade payables, eligible current and non-current liabilities.

Non derivative financial instruments are recognized initially at fair value including any directly attributable transaction costs. Financial assets are derecognized when substantial risks and rewards of ownership of the financial asset have been transferred. In cases where substantial risks and rewards of ownership of the financial assets are neither transferred nor retained, financial assets are derecognized only when the Company has not retained control over the financial asset.

Subsequent to initial recognition, non-derivative financial instruments are measured as described below:

a) Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents include cash in hand, at banks and demand

deposits with banks, net of outstanding bank overdrafts, if any, that are repayable on demand and are considered part of the Company's cash management system.

b) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Loans and receivables are initially recognized at fair value plus directly attributable transaction costs and subsequently measured at amortized cost, less any impairment losses. Loans and receivables comprise trade receivables and other assets.

The company estimates the un-collectability of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

c) Trade and payable

Liabilities are recognized for amounts to be paid in future for goods or services received, whether billed by the supplier or not.

R. Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

S. Segment Information:

The company is considered to be a single segment company engaged in the manufacture of telecom products and providing related customer support services. Consequently, the company has in its primary segment only one reportable business segment.

T. Events after the reporting period :

Adjusting events are events that provide further evidence of condition that existed at the end of the reporting period. The financial statements are adjusted for such events before authorization for issue.

U. Prior Period Errors

Errors of material amount relating to prior period(s) are disclosed by a note with nature of prior period errors, amount of correction of each such prior period presented retrospectively, to the extent practicable along with change in basic and diluted earnings per share. However, where retrospective restatement is not practicable for a particular period then the circumstances that lead to the existence of that condition and the description of how and from where the error is corrected are disclosed in Notes to Accounts.

B. Significant judgements in the application of this standard

- Revenue is recognized by the company when the company satisfies a performance obligation by transferring a promised good or service to its customers. Asset/goods/services are considered to be transferred when the customer obtains control of those asset/goods/services.
- The company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which an entity expects to be entitled in exchange for

transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, GST etc.).

- (iii) The consideration promised in a contract with a customer may include fixed amounts, variable amounts, or both. Any further adjustment will be made by raising debit/credit notes on the customer. While determining the transaction price effects of variable consideration, constraining estimates of variable consideration, the existence of a significant financing component in the contract, non-cash consideration and consideration payable to a customer is also considered.

C. Assets Recognised from costs to obtain or fulfill a contract with a customer

The costs incurred by the company are fixed in nature with no significant incremental cost to obtain or fulfill a contract with a customer and same is charged to profit and loss as a practical expedient.
