EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

Item No. 1:

The residential real estate sector in India has been strong over the past few years, and the Company believes the sectoral tailwinds will continue over the next few years. The Company believes in deploying aggressively into business development when market conditions are favourable for investments and using these new projects to deliver exponential growth in booking. The Company's successful execution of significant levels of business development entered in previous years at favourable terms has allowed it to scale its sales bookings by 84% to INR 22,527 crore in FY24 which was the highest ever annual sales reported by a listed developer in India, instilling confidence in its capabilities.

As part of the strategy, the Company intends to continue to acquire strategically located parcels of land at competitive prices to develop a robust pipeline of projects. In FY22, the Company added 6 new projects with a saleable area of ~9.3 million sq. ft. In FY23, the Company added 18 new projects with a saleable area of ~29 million sq. ft. and with an estimated revenue potential of ~INR 32,000 crore. In FY24, the Company added 10 new projects with a saleable area of 18.93 million sq. ft. and an estimated revenue potential of ~INR 21,225 crore, 42% above the Business Development guidance of INR 15,000 crore of estimated booking value. In the current financial year, the Company added 8 new projects with an estimated booking value of around INR 12,650 crore. The Company is committed to surpassing its business development guidance of INR 20,000 crore for the current financial year. This is driven by a robust deal pipeline and ongoing consolidation in the real estate market across the country. The Company needs to freeze a steady pipeline of projects to achieve a proportional growth targets and therefore needs to scale up investment in business development.

Given the significant potential of increasing the businesses through organic and inorganic growth, it is important that the Company augments its long-term resources. It is, therefore, imperative for the Company to have enabling approvals to raise a part of the funding requirements for the said business development purposes as well for servicing and/or repayment of short term and long term debt, capital expenditure, investment in subsidiaries/joint ventures for various projects, development of Joint Development Agreement projects, general corporate purposes and such other purpose(s) as may be permissible under applicable laws as per the Company's growth and business related plans.

In line with the above, the Board of Directors of the Company (hereinafter called the "**Board**" which term shall be deemed to include any committee which the Board may have constituted or hereinafter constitute to exercise its powers including the power conferred by this resolution) at its meeting held on October 01, 2024, has approved fund raising up to an aggregate amount of INR 6,000 crore only (Rupees Six Thousand crore only), *inter alia*, by way of issuance of Equity Shares, fully convertible debentures, partly convertible debentures, non-convertible debentures either with or without warrants, preference shares convertible into Equity Shares, and/or any other financial instruments/securities convertible into Equity Shares (including warrants, or otherwise) and/or any other security permissible under the applicable law (all of which are hereinafter referred to as "**Securities**") or any combination of the Securities, in one or more tranches through one or more public and/or private offerings including preferential issue, qualified institutions placement ("**QIP**"), rights issue, further public offer or any other permissible mode (hereinafter referred to as "**Offering**") as may be considered appropriate and permitted under applicable laws including provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("**SEBI ICDR Regulations**"), each as amended from time to time and/ or any combination thereof to eligible investors. The Equity Shares issued, if any, shall rank *pari passu* in all respects with the existing Equity Shares of the Company, including entitlement to dividend, if any.

Pending utilisation of the proceeds from Offering, the Company shall invest such proceeds in one or more scheduled commercial banks or temporarily invest the funds in credit worthy instruments, including money market/mutual funds, as may be decided by the Board of the Company.

The timely availability of capital is crucial to completing these strategic acquisitions and securing high-potential deals, which will significantly enhance the Company's business portfolio and long-term value. The Offerings through Private Placement/ QIP or any combinations thereto, unlike Rights Issue, will allow the Company to secure the necessary funds swiftly, ensuring that the Company can act on immediate growth opportunities without delay and support the acquisition of new projects and business development deals. The Board believes that raising funds through this method is in the best interests of the Company and its shareholders, as it allows to secure capital more efficiently while maintaining focus on its strategic goals.

In case of an issue and allotment of Securities by way of a Preferential Issue in terms of Chapter V of the SEBI ICDR Regulations, a valuation report will be obtained under Regulation 166A of the SEBI ICDR Regulations to determine the issue price if the issuance of shares, as and when undertaken, will cause change in control or allotment of more than 5% of the post issue fully diluted share capital of the Company.

Issuance of Securities may result in the issuance of Securities to investors who may not be members of the Company. Therefore, consent of the members is being sought, for passing the Special Resolution as set out in the Item No. 1 of the Notice, pursuant to applicable provisions, of the Companies Act, 2013 ("**the Act**") and any other applicable law for the time being in force and in terms of the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**").

Section 62(1)(c) of the Act provides that, *inter-alia*, such further Securities may be offered to any persons whether or not such persons are existing holders of equity shares of the Company as on the date of offer by way of a Special Resolution passed to that effect by the Company in General Meeting or through a postal ballot. The SEBI Listing Regulations, as amended, also provides that the Company

shall, in the first instance, offer all Securities for subscription on pro rata basis to the shareholders unless the shareholders in a general meeting or through postal ballot decide otherwise. Accordingly, approval of the Members is sought for issuing any such instrument as the Company may deem appropriate to parties including other than the existing shareholders. The equity shares, if any, allotted on issue, conversion of Securities shall rank in all respects *pari passu* with the existing equity shares of the Company. Whilst no specific instrument has been identified at this stage, in any event, the issue will be structured in such a manner that the proceeds of the same would not exceed INR 6,000 crore.

The resolution proposed is an enabling resolution and the exact price, proportion and timing of the issue of the Securities in the one or more tranches, the detailed terms and conditions for the issue will be decided by the Board in consultation with lead managers, advisors and such other authorities and agencies as may be required to be consulted by the Company in due consideration of prevailing market conditions and other relevant factors after meeting the specific requirements. The proposal therefore seeks to confer upon the Board the absolute discretion to determine the terms of issue.

As the pricing of the offer cannot be decided except at a later stage, it is not possible to state the price of Securities to be issued. However, the same would be in accordance with the provisions of the SEBI ICDR Regulations, (including any amendment(s), statutory modification(s) and/or re-enactment(s) thereof for the time being in force) the Act, or any other guidelines/regulations/consents as may be applicable or required.

Therefore, an enabling resolution is being proposed to give Board an adequate flexibility and absolute discretion to determine the terms of issue in consultation with the lead managers and others.

In the event of the issue of the equity shares as aforesaid by way of QIP, the special resolution also seeks to empower the Board of Directors of the Company to undertake QIP as defined by SEBI ICDR Regulations.

In connection with the proposed issue of Securities, the Company is required, *inter alia*, to prepare various documentations and execute various agreements. The Company is yet to identify the investor(s) and decide the quantum of Securities to be issued to them. Hence, the details of the proposed allottees, percentage of post preferential offer holding that may be held by them and holding pattern of Securities of the Company are not provided. Accordingly, it is proposed to authorize the Board to identify the investor(s), issue such number of Securities, negotiate, finalize and execute such documents and agreements as may be required and do all such acts, deeds and things in this regard for and on behalf of the Company.

The "Relevant Date" for this purpose will be the date as determined in accordance with the SEBI ICDR Regulations.

The issue/allotment/conversion would be subject to the applicable regulatory approvals, if any. The issuance and allotment of Securities including equity shares to be allotted on conversion of Securities to foreign/non-resident investors would be subject to the applicable foreign investment cap.

Nature of concern or interest of Directors:

None of the directors and/or key managerial personnel of the Company and their relatives, are concerned or interested, financially or otherwise, in said resolution, except to the extent of the Securities that may be subscribed by companies/firms/institutions in which they are interested as director or Member or otherwise.

The Board believes that such an issue of Securities is in the interest of the Company and therefore recommends passing of the resolution set out at Item No. 1 of this Notice as a Special Resolution.
